

18 January 1974

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Weekly Report of Significant Activities
REFERENCE : DD/M&S Administrative Instruction No. 73-4,
dated 11 April 1973

As requested, following is a report of significant activities for this office for the preceding week.

25X1A 1. Director of Medical Services and other OMS officials were briefed by Chief, Life Sciences Division, Office of Scientific Intelligence [REDACTED] on 16 January on certain of their activities. OMS will reciprocate in the near future. These efforts are designed to improve communications and establish firmer understandings consistent with recent decisions of the DCI.

2. The OMS Committee for the Behavioral Sciences met yesterday with officials of the Office of Strategic Research to determine how the committee might assist that office. After review and evaluation, another meeting will be held with OSR to pursue this matter.

3. At our regular monthly meeting 15 January with representatives of the Office of Joint Computer Support, agreement was reached that OJCS would support the Phase I [REDACTED] effort. This is the OMS contribution to the Agency management information effort.

4. Chief, Operations Division and Chief, Psychiatric Staff yesterday addressed the DIA Attache Course on the subject of Biographic Intelligence.
